WORK EXPERIENCE

Frontend Developer
SoftwarePlant (aka BigPicture)
April 2019 – now (4 years)

- *I participated in the development of the Gantt core module, which was built from the ground up to be the most important and profitable module in the company*
- *I provided the majority of the features for that module and I am currently working on new ones. I also provided help and encouragement for my colleagues who are younger in seniority.*

Junior Angular Developer
ValueAdd
April 2018 – April 2019 (1 year)

EDUCATION HISTORY

Uniwersytet Przyrodniczo Humanistyczny w Siedlcach
Bachelor's degree, Computer Science
2013 – 2018

SUMMARY

I am a pragmatic person who always wants to be prepared for the worst-case scenario. However, I am also a believer and a fighter, which creates a unique mix that helps me in my work. I am a passionate programmer who observes the JavaScript ecosystem daily. I am also interested in F1, video games.
